JABRA UC VOICE 150 SERIES

ENTRY LEVEL UC HEADSET WITH OUTSTANDING SOUND CLARITY

The Jabra UC VOICE 150 series is a cost-effective, quality headset for users just getting into UC voice and multimedia. The headset features a noise-cancelling microphone for call clarity, an adjustable boom for precise microphone positioning, and the option of either mono or duo styles.

CERTIFIED AND OPTIMISED FOR UC

The Jabra UC VOICE 150 is a simple, one-step solution to getting users engaged with UC voice solutions. It is certified and optimised for use with all major UC platforms, is USB plug-and-play ready and features simple call control through the in-line switch on the cord. All this equals stress-free deployment and fast user uptake.

CRYSTAL CLEAR SOUND

The Jabra UC VOICE 150 has sound quality features you wouldn't normally expect in an entry level headset. HD Voice delivers crystal clear wideband sound for voice calls and multimedia while the noise-cancelling microphone filters out ambient noise.

FLEXIBLE BOOM-ARM TIP FOR OPTIMAL POSITIONING

The Jabra UC VOICE 150 has a flexible boom tip to ensure that the user can properly position the microphone for the best possible voice clarity.

MAXIMUM IMPACT, MINIMUM COST

The Jabra UC VOICE 150 series is a cost-effective, quality headset from a brand you trust for those users just getting into UC voice and multimedia.

JABRA UC VOICE 150 SERIES PRODUCT BENEFITS

**Crystal Clear Sound**

Digital signal processing for clearer sound

Clear sound is essential for a good conversation not to mention call efficiency and accuracy. Digital signal processing (DSP) in Jabra audio devices will remove background noise and echo as well as protect the user against sudden high peaks in volume. Call handling time and potential misunderstandings are significantly reduced.

**HD Voice – Wideband Audio**

High-quality audio for crystal clear conversations

Enjoy high-definition sound with HD Voice and get crystal clear, intelligible communication. You get lifelike, vibrant conversations where you can focus on the content and don't have to struggle to understand what the person on the other end of the line is saying.

**HiFi Sound**

Enjoy flawless sound quality

Immerse yourself in music with hifi sound. Listen to flawless music reproduction across the entire audible frequency range.

**Jabra Software Applications**

Easy device configuration and softphone integration

Customise and control your audio device settings with Jabra's software applications. You get full integration and remote call control with the latest generation of softphones.

**Noise Cancelling Microphone**

Reduces unwanted background noise

Noise-cancelling microphones reduce unwanted background noise and are ideal in crowded and noisy, open office environments.

**PeakStop™**

Safe sound and superior hearing protection

PeakStop™ technology immediately removes potentially harmful loud sounds or tones before they reach your ears and keeps the sound level within the safe range to protect your hearing.

**Remote Asset Management**

Remote mass deployment and device management

Configure and implement the company's audio devices 100% remotely from one central point. You get the latest features and functionalities in one go with Jabra Xpress, a web-based solution. You can also get a complete overview of all Jabra audio devices installed in the IT network with Jabra Xpress' asset management component.

**Remote Call Control**

Seamless integration between your phone and headset

Answer and end calls on the Jabra audio device with seamless integration between your phone and headset. The remote call control gives you the power to multitask and be productive. With a Jabra wireless audio device you can control your call even when you are away from your desk.

**Talk in Comfort**

Be kind to your ears

Ensure total comfort with a wide range of styles that match your individual needs and personal fit requirements. Our light, ergonomically designed frames along with soft ear cushions, adjustable headbands and microphone boom will guarantee that your headset will be comfortable all day long.

**UC Plug-And-Play**

Plug and play with all leading UC platforms

Jabra devices feature intuitive call control and seamless connection to all leading UC applications and softphones. They are easy to set up and easy to use, meaning there is no need for installation expertise or extensive training.
